The Honorable Ray S. Cline
Director
Bureau of Intelligence and Research
Department of State
Washington, D. C. 20520

Dear Ray:

I am attaching some notes on the first meeting of the NSCIC Working Group, which we held on 13 December.

Although the attached notes state that contributions of members should be submitted before 17 January 1972, I would request that you get them in no later than 12 January. As you know, Andy Marshall returns to Washington permanently on 17 January and I would hope we could have a second Working Group meeting by late that week. I would assume that a meeting of the parent committee would be called shortly thereafter.

Sincerely,

(Signed) Bronson Tweedy
